

14th Annual Summer Success Summit

Back by popular demand, is our infamous Summer Success Summit! This summer, we have added another week as requested by many of our students! Each year, the students learn specific success strategies and what is involved in a success mindset. In this camp, we will publish a book that summarizes our learning so other children can benefit also. In the past, we have written about success, happiness, and the power of your inner coach. Each day is filled with adventure, games, discussions, and teamwork. On July 31st, we cook our lunch and arrive prepared to stay in character as if it was July 31st, 2034. The power of this forecasting is phenomenal! Come join the fun and learn skills to last a lifetime with Mrs. Elder and Mrs. Rawls!
